NOTICE

The sixth edition of the Indian Pharmacopoeia (IP 2010) is published by the Indian Pharmacopoeia Commission (IPC) on behalf of the Government of India, Ministry of Health & Family Welfare.

The Indian Pharmacopoeia (IP) is published in fulfilment of the requirements of the Drugs and Cosmetics Act, 1940 and Rules thereunder. Also, in several other laws of Indian, the Indian Pharmacopoeia is recognized as the standard book. It is expedient that enquiry be made in each case in order to ensure that the provisions of any such law are being complied with.

It prescribes the standards for drugs produced and/or marketed in India and thus contributes in the control and assurance of the quality of the medicines. The standards of this pharmacopoeia are authoritative and legally enforceable. It intends to help in the licensing of manufacturing, inspection and distribution of medicines.

It is published in continuing pursuit of the mission of IPC to improve the health of the people through ensuring the quality, safety and efficacy of medicines. The sixth edition of the Indian Pharmacopoeia comprises of three volumes. Each volume has got different features. Each set of IP 2010 contains an authenticity certificate bearing the IPC Seal and an unique book number that assurance authentic and official print version.
