IDENTIFICATION

Lot No.:	Catalogue Number:
Unit Quantity:	Chemical Formula:
Molecular Weight:	Assigned Value (Purity):
Validity Date: *	
Storage:	

Intended Use

IPRS/CRM is intended for use in pharmaceutical testing, R&D, Validation or Quality Control of Analytical Methods with specified quantity. This Material can not be used as “Drug” or household.

Instruction for handling and use

Allow the sealed container to equilibrate at ambient/room temperature before opening for use. Do not dry, use “As on basis”. Once the container has been opened, Stability of content, value can not be guaranteed. It is for immediate use.

Safety Information

Refer to the material safety data sheet

(Name)
Designation
Approving Officer

Any other Additional Information

1. IPRS is produced & certified under responsibilities of IPC according to regulatory authorities for quality control of medicine in India, having legal acceptance for IP standards. (this statement can be change/alter or added with gazette notification reference also)
2. The result listed refers only to the tested sample(s) and applicable parameter(s). Endorsement of products is neither inferred nor implied.
3. IPRS are not intended for administration to human or animal or medical device.

*The lot is valid until it is present in IPRS list on the website (www.ipc.gov.in)
