No. IPC/4822/2022-23

Dated: 17/02/2023

To,
The Quality Manager,

Dear Sir/Madam

Greetings from Indian Pharmacopoeia Commission (IPC), Ministry of Health and Family Welfare!

Indian Pharmacopoeia Commission (IPC) is an autonomous Institute setup under Ministry of Health and Family Welfare, Govt. of India. IPC promotes the highest standard of drugs for use in humans and animals within practical limits of the technologies available for manufacture and analysis.

The Indian Pharmacopoeia Laboratory is NABL accredited laboratory in chemical and biological disciplines as per ISO/IEC 17025:2017. IPC has been accredited as Reference Material Producer as per ISO 17034:2016 and also accredited as PT Provider as per ISO/IEC 17043:2010. IPC is also a WHO pre-qualified laboratory.

IPC is conducting first PT round in the month of February, 2023. In the first PT round the following parameter will be considered for testing and evaluation of results:

- ◆ Assay by HPLC in tablet formulation.

Benefits of Proficiency Testing

- By joining with this program, the participating laboratory will fulfill the requirement of ISO/IEC 17025:2017 for assuring the quality of test results.
- The laboratories can utilize their result to highlight their performance as individual to their customers. Laboratories may also submit these results to accreditation body.
- Evaluation of performance of Laboratory on the basis of these results.

In this regards all the interested participants are required to **give their consent by filling and sending the registration form** as soon as possible on e-mail at "qualityassurance-ipc@gov.in; **on or before 10th March 2023**. Consent received after due date will not be considered.
